

Hello!

My name is Nick Walker, and I am the Director of Sports and Recreation at the Edwardsville YMCA. Here, we believe in the power of community partnerships to help our programs grow and thrive. Our youth sports programs already make a huge impact, but with continued support from local organizations, we can expand our reach and create even more positive experiences for young athletes in our area. Every year, we hold two soccer sessions—one in the fall and one in the spring. Just this last year, our soccer program reached right under 2,000 kids! This program continues to grow and remains one of the largest in our organization.

Today, I am reaching out to see if your business or organization would be interested in sponsoring our soccer program. Our organization has noticed your valued efforts in the community, and having you represent our program and our mission would mean a lot and reach a ton of people.

These sponsorships help tremendously, as they cover the cost of jerseys for each team. With a \$200 sponsorship fee, the logo of your choosing will be printed on a team's jerseys in both the Fall 2025 and Spring 2026 seasons. If you have a specific team or child you'd like to sponsor, you can indicate that on the attached form.

We also host two Soccer Sponsor Recognition Days at Plummer Park—once in the fall and again in the spring—where your organization will have the opportunity to promote your business and interact with our soccer families.

At this time, we are also looking to form a special partnership with a local business to support the end-of-season contributions across all of our youth sports programs—soccer, volleyball, flag football, and basketball. This would help provide things like medals, t-shirts, or treats to celebrate our players' efforts each season. As a key partner in this initiative, your organization would receive prominent recognition across multiple platforms and events throughout the year. Since this is a new opportunity, we're excited to tailor the details with you and create a meaningful, mutually beneficial partnership.

If either of these options interest you, please complete the attached form and return it by mail or email. I appreciate your consideration, and if you have any questions at all, I'd love to connect by phone or email—please don't hesitate to reach out.

Have a great summer!

*Nicholas Walker*
